

Date of issue: December 19 2025

THIS CERTIFIES THAT

VTN EUROPE SPA

is a member of the Hardox® In My Body program, SSAB's quality program for equipment and machine manufacturers who use genuine Hardox® wear plate in their products, and who are dedicated to supplying bodies that weight less, perform better, last longer, carry more payloads and offer better fuel economy. Only those manufacturers who meet SSAB's strict requirements on design and production techniques are offered membership and the right to use the Hardox® In My Body sign on their products as a sign of quality.
